

WESTENDORF MAX LOADER

- Fits 60-120HP tractors in both 2 or 4WD, old or new, the styling of the new MAX loader not only has an undeniable WOW factor, but the intelligent design offers unsurpassed quality, visibility, performance and strength.
- MAX features the coveted Remote Control Coupler that allows changing attachments with a push of a button from the comfort of the tractor's seat without adding extra hydraulic functions. Everything is built into the loader.
- Freedom Mount design allows dismounting the loader on the bucket without using stands. The self-aligning Smart-Lock design locks the loader on automatically, eliminating frustrating pin realignment issues.
