

# WESTENDORF

*proudly presents  
our all new...*

## Wagon Packages

*Westendorf's new packages have it all. The same famous quality with a new design and a great price. You get the quality you expect only from Westendorf.*

### CHECK OUT THESE GREAT EXTRAS!

*Convenient windows allow you to see just how your work is progressing.*

*Easy coupler tongue, with spring assist, allows anyone to hook up quickly and easily. Extends for easy hook up and adjusts to various lengths.*

Your safety is our concern. So to ensure a job well done, we have included brake & direction lights for your protection.

### PUT US TO THE TEST!

Stringent testing of this Westendorf package clearly show why it out classes the competition. It not only met the A.S.A.E. testing measure but exceeded it! Proving that this 14 ton package is the toughest on the market!
