- SUN PROTECTION
- ADDED VALUE
- DURABLE
- ECONOMICAL

DESIGNER TRACTOR CANOPY

This canopy has a distinctive shape and clean automotive finish. Its high gloss, patented iso-ceramic finish provides a durable, UV resistance that minimizes sun fading. Available in 3 sizes and many colors to compliment your tractor. Includes a reflector package.

TRACTOR MATCHING COLORS

Cool Caps™ are available in any color. For custom colors allow longer lead time.

LOW-PROFILE MOUNTING BRACKET

Install the Cool Cap™ tractor canopy with this low-profile fixed mounting bracket. The universal bracket design fits most foldable and stationary ROPS on the market today.

EASY-OFF MOUNTING BRACKET

Remove and install the Cool Cap™ tractor canopy in just minutes without the use of tools. The quick release spring lock ensures functionality and versatility. Fits most foldable and stationary ROPS on the market today.

HELPS PROTECT AGAINST SKIN CANCER

AVAILABLE IN 3 SIZES!

Whether you have a small garden tractor or large horsepower tractor, you can now choose between 3 sizes to customize the fit to your tractor.
